The Garden Gate Club of Mansfield CT Organized 1950

Meetings are the third Thursday of the month from March through November at the Mansfield Senior Center. Refreshments are first, followed by a brief meeting and program. The speakers share gardening expertise in areas such as: perennials, annuals, and herbs, photography in the garden, integrative pest management, pruning techniques, organic agriculture, garden design and distinctive plants, and vegetable gardening. During the summer months members take field trips to members' gardens, other nearby gardens, greenhouses, and arboretums.
